D-7/c

Psychological Operations Plan Incident to Korean Cease-Fire Negotiations dated October 25, 1951.

Provides the interdepartmental psychological action incident to a cease-fire in Korea prior to political negotiations. The objectives and themes are still timely. It is now in effect and a coordinated guidance covering political discussions is now in process of development.

J-19d

Break-off of Korean Armistice Negotiations dated September 18, 1951.

It provides interdepartmental courses of action to be pursued in preparation for and in event of a break-off of the Korean Armistice negotiations. It provides guidance to fix responsibility for such a development on Moscow and its satellites, while justifying the U.S. position. Contingency plans are prepared and held in readiness.

Recommended Status:

Coordination to be continued under OCS until these papers substantially affected by pertinent NSC action.

D-8b

Plan for Conducting Psychological Operations during General Hostilities dated February 21, 1952.

Provides an agreed interdepartmental arrangement for the organization of American overt psychological operations in wartime. General plan received NSC approval as NSC 127/1 (7/25/52). Detailed development of implementing plans ("X-Day Planning") was started by POC and is still in the process of coordination.

D-11/b

National Overt Propaganda Policy Guidance for General War dated November 15, 1951.

Provides detailed propaganda objectives, together with basic themes for overt American

D-22

Psychological Strategy Program for the Middle East dated February 6, 1953.

Provides an interdepartmental program for working through the leaders and opinion-forming groups in the Middle East, to strengthen their confidence in the United States, to identify their interests with the Free World, to expose the Communist threat to their aspirations and self-interest, to convince them that cooperating with Free World provides their only adequate defense and will not result in imperialism, and to develop attitudes to resolve controversies which would weaken their stability. Implementation has been started.

Recommended Status: OCB Secretariat will continue present interdepartmental coordination by means of a Working Group chaired by State Department with an OCB officer as Executive Secretary.
